MISSISSIPPI AGRICULTURAL AVIATION ASSOCIATION

CODE OF ETHICS

- 1) Give the best service possible.
- 2) Constantly strive to improve the quality of my work, and maintain a high level standard of operation.
- 3) Join with other Association members to combat unethical business practices within the industry.
- 4) Promote safety in agricultural aviation.
- 5) Maintain my aircraft in an airworthy condition at all times, properly certified.
- 6) Aid and promote experimental and technological advancement in agricultural aviation.
- 7) Obey the laws, rules, and regulations set up by the governing bodies which apply to the industry.
- 8) Generally conduct my business so as to further and strengthen the position of agricultural aviation in the agricultural economy.

By signing below, I do hereby request membership in the Mississippi Agricultural Aviation Association and do promise to abide by the Code of Ethics described above.
